Loch Tummel bank fishing for trout, perch and pike.

Permits issued by Pitlochry Angling Club (www.pitlochryanglingclub.com) on on behalf of the Loch Tummel Riparian Association.

Loch Tummel is located west of Pitlochry and provides spectacular surroundings and outstanding fishing potential for brown trout, perch and pike.

The most accessible fishing sites are located on the south shore of the loch which can be reached from the A9 by taking the unclassified road sign posted to Foss. This exit is located between the two Pitlochry exits from the A9. The B8019 north shore road climbs high above the loch and provides scenic views including the famous Queens View but gives little access to the shore.

The Loch Tummel Riparian Association (LTRA) was formed in 1978 to protect and oversee the fishing on Loch Tummel. Fishing permits can be purchased online via http://www.pitlochryanglingclub.com or in person from the Pitlochry Visit Scotland Information Centre (22 Atholl Road, Pitlochry, Perthshire, PH16 5BX).

Contact LTRA by email Tummel.Riparians@gmail.com

Prices: Day £8.00 Week £25.00 Season £40.00

The loch is regularly stocked with mature brown trout to improve the fishing and breeding population.
